Profile

Aspiring Developer always seeking a new challenge to advance my skills learning new web technologies.

Background in software and web development holding a degree in Electrical and Electronic Engineering. Creative problem-solver and fast learner self-taught in HTML, CSS, Python and Unity (C#).

Studied Software development at Edinburgh College collaborating with peers developing Javascript Web applications, utilising Github for version control.

Currently learning React and expanding on Unity. Seeking to apply to a Full Stack Web Development position to hone my professional skills working as a Web Developer.

Core Skills

Javascript

SQL/MySQL

PHP

Python

Debugging

Bootstrap

CSS

Project Management

MS Excel

Education

Edinburgh College, Codespace: Software Development & Induction

09/2022 – 12/2022

Edinburgh,
United Kingdom

- Development of functional website with front and back end, utilising a SQL database system working in conjunction with PHP scripts.
- Collaboration with other students on Javascript projects including a calculator and shopping list.
- Learned fundamentals of version control systems such as Git, collaborating with others through Github.
- Extensive error checking and debugging code in creating Javascript web applications. Experience using Cypress for Quality Assurance.

Edinburgh College, CCNA: 1 (Cisco Networking)

02/2020 – 06/2021

Edinburgh,
United Kingdom

- Construction, configuration and troubleshooting of physical and simulated virtual networks.
- Skilful in technical writing, documenting configuration of network topologies.
- 99% on CCNA 1 final exam.

Heriot Watt University, Bachelor's in Electrical & Electronic Engineering

- Software experience developing C scripts for robotics and microcontrollers.
- Project Lead Manager on project involving the development and creation of a vending machine system.
- Strength in mathematics and working with numbers.

09/2015 – 06/2019

Edinburgh,
United Kingdom

Professional Experience

Orocco Pier, Front of House

03/2022 – 09/2022

Edinburgh,
United Kingdom

- Managed over 20 customers at once at multiple tables in busy periods, maintaining composure whilst delivering a high standard of service.
- Systematic approach to taking customer's orders to maximise efficiency and streamline the waiting process.

Henderson's of Edinburgh, Bar and Floor Assistant

06/2019 – 12/2019

Edinburgh,
United Kingdom

- Face-to-face customer service expertise serving patrons with experience working during The Fringe and Christmas market.
- Ability to deal with high stress situations in an efficient and timely manner.
